

30 CHAPTERWISE IMPORTANT QUESTIONS

English Language and Literature (184) | CBSE 2026-27

How to Tell Wild Animals

First Flight - poem | Board-examinable literature

30 original revision questions with answers: short-answer, competency, assertion-reason and long-answer practice. Set is based on the current syllabus and official question-paper style; it is not a prediction or an official CBSE paper.

Question 1

How does the poet make the descriptions of dangerous animals humorous?

Answer:

She gives absurdly risky identification advice in a playful voice, as if a close encounter were a reliable test. The exaggerated situations create comic irony.

Question 2

What is the effect of rhyme and repetition in the poem?

Answer:

The regular rhymes and repeated sounds give the poem a lively, almost nursery-rhyme rhythm. This cheerful sound contrasts with the mock-dangerous advice.

Question 3

Is the poem meant to be a scientific guide? Explain.

Answer:

No. Its suggestions are intentionally impractical and humorous. The poem uses playful exaggeration to entertain rather than teach safe wildlife identification.

Question 4

What is the central idea or skill tested in How to Tell Wild Animals?

Answer:

The central focus is: She gives absurdly risky identification advice in a playful voice, as if a close encounter were a reliable test. This is the starting point for a strong answer from this chapter.

Question 5

Write two relevant points for a short answer based on How to Tell Wild Animals.

Answer:

First point: She gives absurdly risky identification advice in a playful voice, as if a close encounter were a reliable test. Second point: The regular rhymes and repeated sounds give the poem a lively, almost nursery-rhyme rhythm. Link the two points clearly instead of listing them without explanation.

Question 6

How does the first key idea in How to Tell Wild Animals lead to an important result or conclusion?

Answer:

Begin with the key idea: She gives absurdly risky identification advice in a playful voice, as if a close encounter were a reliable test. Then connect it to the result: The regular rhymes and repeated sounds give the poem a lively, almost nursery-rhyme rhythm.

Question 7

What evidence, calculation, incident or concept best supports the first main idea in How to Tell Wild Animals?

Answer:

Use this supporting detail: She gives absurdly risky identification advice in a playful voice, as if a close encounter were a reliable test. The exaggerated situations create comic irony. The relevant detail should be stated before giving the final conclusion.

Question 8

Explain the importance of the second major idea in How to Tell Wild Animals.

Answer:

The regular rhymes and repeated sounds give the poem a lively, almost nursery-rhyme rhythm. This cheerful sound contrasts with the mock-dangerous advice. Its importance lies in showing how the chapter develops the topic beyond a simple fact or definition.

Question 9

What common mistake should a student avoid while answering a question from How to Tell Wild Animals?

Answer:

Do not give only a conclusion. Explain the reasoning with a correct detail, such as: No.

Question 10

Compare the first and second important ideas in How to Tell Wild Animals.

Answer:

The first idea is: She gives absurdly risky identification advice in a playful voice, as if a close encounter were a reliable test. The second idea is: The regular rhymes and repeated sounds give the poem a lively, almost nursery-rhyme rhythm. A complete comparison states both the difference and the connection between them.

Question 11

Show a cause-and-effect link from How to Tell Wild Animals.

Answer:

Cause or starting point: She gives absurdly risky identification advice in a playful voice, as if a close encounter were a reliable test. Effect or outcome: The regular rhymes and repeated sounds give the poem a lively, almost nursery-rhyme rhythm. Use connecting words such as 'therefore', 'as a result', or 'thus'.

Question 12

What is the most useful sequence for explaining the main content of How to Tell Wild Animals?

Answer:

A clear sequence is: She gives absurdly risky identification advice in a playful voice, as if a close encounter were a reliable test. Next, The regular rhymes and repeated sounds give the poem a lively, almost nursery-rhyme rhythm. Finally, No.

Question 13

Give a 40-50 word answer outline for an important question from How to Tell Wild Animals.

Answer:

Start with the direct answer: She gives absurdly risky identification advice in a playful voice, as if a close encounter were a reliable test. Add one supporting point: The regular rhymes and repeated sounds give the poem a lively, almost nursery-rhyme rhythm. End with the outcome or message: No.

Question 14

How should you support an English literature answer from How to Tell Wild Animals?

Answer:

Use a relevant incident, character action, theme, or poetic image: She gives absurdly risky identification advice in a playful voice, as if a close encounter were a reliable test. Then explain what it reveals about the character, situation, or message.

Question 15

How can an examiner see that you understand, rather than memorise, How to Tell Wild Animals?

Answer:

Connect the idea to its reason or result. For instance: The regular rhymes and repeated sounds give the poem a lively, almost nursery-rhyme rhythm. Then explain why this point matters in the chapter's context.

Question 16

State one inference that can be drawn from the main situation or concept in How to Tell Wild Animals.

Answer:

A sound inference is that no. This inference must be supported by a relevant point from the chapter.

Question 17

Frame a short competency-based response using the first two ideas in How to Tell Wild Animals.

Answer:

Apply the concept by first stating: She gives absurdly risky identification advice in a playful voice, as if a close encounter were a reliable test. Then justify the response with: The regular rhymes and repeated sounds give the poem a lively, almost nursery-rhyme rhythm.

Question 18

What would make an answer from How to Tell Wild Animals incomplete?

Answer:

An answer is incomplete if it omits the explanation or final implication. Include both: She gives absurdly risky identification advice in a playful voice, as if a close encounter were a reliable test. Also add: No.

How to Tell Wild Animals - Continued

Question 19

Prepare an Assertion-Reason style explanation based on How to Tell Wild Animals.

Answer:

Assertion: She gives absurdly risky identification advice in a playful voice, as if a close encounter were a reliable test. Reason: The regular rhymes and repeated sounds give the poem a lively, almost nursery-rhyme rhythm. Check whether the reason actually explains the assertion before choosing an option.

Question 20

How should you justify an answer from How to Tell Wild Animals in two clear steps?

Answer:

Step 1: state the concept or event - She gives absurdly risky identification advice in a playful voice, as if a close encounter were a reliable test. Step 2: support it with the explanation or result - The regular rhymes and repeated sounds give the poem a lively, almost nursery-rhyme rhythm.

Question 21

What answer structure is suitable for a 3-mark question from How to Tell Wild Animals?

Answer:

Use three connected points: She gives absurdly risky identification advice in a playful voice, as if a close encounter were a reliable test. The regular rhymes and repeated sounds give the poem a lively, almost nursery-rhyme rhythm. No. Keep the points specific and write them in a logical order.

Question 22

What answer structure is suitable for a 5-mark question from How to Tell Wild Animals?

Answer:

Give an introduction, develop these key points - She gives absurdly risky identification advice in a playful voice, as if a close encounter were a reliable test. The regular rhymes and repeated sounds give the poem a lively, almost nursery-rhyme rhythm. - and close with: No. Add a diagram, equation, example, or textual reference where relevant.

Question 23

How can the ideas in How to Tell Wild Animals be applied to a new situation or case study?

Answer:

Identify the relevant principle first: She gives absurdly risky identification advice in a playful voice, as if a close encounter were a reliable test. Then use the chapter's reasoning to explain the case: The regular rhymes and repeated sounds give the poem a lively, almost nursery-rhyme rhythm.

Question 24

Which detail from How to Tell Wild Animals is most likely to earn an extra mark when explained correctly?

Answer:

A useful detail is: No. Explain it in context instead of using it as an isolated statement.

How to Tell Wild Animals - Continued

Question 25

Write a brief concluding statement for an answer on How to Tell Wild Animals.

Answer:

A suitable conclusion is: No. This conclusion should follow naturally from the explanation rather than introduce a new point.
