

30 CHAPTERWISE IMPORTANT QUESTIONS

English Language and Literature (184) | CBSE 2026-27

The Trees

First Flight - poem | Board-examinable literature

30 original revision questions with answers: short-answer, competency, assertion-reason and long-answer practice. Set is based on the current syllabus and official question-paper style; it is not a prediction or an official CBSE paper.

Question 1

What do the trees moving out of the house symbolise?

Answer:

They symbolise nature's effort to return to its proper place after being confined indoors. Their movement can also suggest a desire for freedom and renewal.

Question 2

How does the poem make the trees seem alive?

Answer:

The poet describes branches, leaves, and roots as if they were moving with intention. These images personify the trees and make their escape feel dramatic.

Question 3

How can the poem be read as a comment on human control of nature?

Answer:

The indoor trees are unnatural and restricted. Their movement outside suggests that nature cannot be permanently contained for human convenience.

Question 4

What is the central idea or skill tested in The Trees?

Answer:

The central focus is: They symbolise nature's effort to return to its proper place after being confined indoors. This is the starting point for a strong answer from this chapter.

Question 5

Write two relevant points for a short answer based on The Trees.

Answer:

First point: They symbolise nature's effort to return to its proper place after being confined indoors.

Second point: The poet describes branches, leaves, and roots as if they were moving with intention. Link the two points clearly instead of listing them without explanation.

Question 6

How does the first key idea in The Trees lead to an important result or conclusion?

Answer:

Begin with the key idea: They symbolise nature's effort to return to its proper place after being confined indoors. Then connect it to the result: The poet describes branches, leaves, and roots as if they were moving with intention.

The Trees - Continued

Question 7

What evidence, calculation, incident or concept best supports the first main idea in The Trees?

Answer:

Use this supporting detail: They symbolise nature's effort to return to its proper place after being confined indoors. Their movement can also suggest a desire for freedom and renewal. The relevant detail should be stated before giving the final conclusion.

Question 8

Explain the importance of the second major idea in The Trees.

Answer:

The poet describes branches, leaves, and roots as if they were moving with intention. These images personify the trees and make their escape feel dramatic. Its importance lies in showing how the chapter develops the topic beyond a simple fact or definition.

Question 9

What common mistake should a student avoid while answering a question from The Trees?

Answer:

Do not give only a conclusion. Explain the reasoning with a correct detail, such as: The indoor trees are unnatural and restricted.

Question 10

Compare the first and second important ideas in The Trees.

Answer:

The first idea is: They symbolise nature's effort to return to its proper place after being confined indoors. The second idea is: The poet describes branches, leaves, and roots as if they were moving with intention. A complete comparison states both the difference and the connection between them.

Question 11

Show a cause-and-effect link from The Trees.

Answer:

Cause or starting point: They symbolise nature's effort to return to its proper place after being confined indoors. Effect or outcome: The poet describes branches, leaves, and roots as if they were moving with intention. Use connecting words such as 'therefore', 'as a result', or 'thus'.

Question 12

What is the most useful sequence for explaining the main content of The Trees?

Answer:

A clear sequence is: They symbolise nature's effort to return to its proper place after being confined indoors. Next, The poet describes branches, leaves, and roots as if they were moving with intention. Finally, The indoor trees are unnatural and restricted.

The Trees - Continued

Question 13

Give a 40-50 word answer outline for an important question from The Trees.

Answer:

Start with the direct answer: They symbolise nature's effort to return to its proper place after being confined indoors. Add one supporting point: The poet describes branches, leaves, and roots as if they were moving with intention. End with the outcome or message: The indoor trees are unnatural and restricted.

Question 14

How should you support an English literature answer from The Trees?

Answer:

Use a relevant incident, character action, theme, or poetic image: They symbolise nature's effort to return to its proper place after being confined indoors. Then explain what it reveals about the character, situation, or message.

Question 15

How can an examiner see that you understand, rather than memorise, The Trees?

Answer:

Connect the idea to its reason or result. For instance: The poet describes branches, leaves, and roots as if they were moving with intention. Then explain why this point matters in the chapter's context.

Question 16

State one inference that can be drawn from the main situation or concept in The Trees.

Answer:

A sound inference is that the indoor trees are unnatural and restricted. This inference must be supported by a relevant point from the chapter.

Question 17

Frame a short competency-based response using the first two ideas in The Trees.

Answer:

Apply the concept by first stating: They symbolise nature's effort to return to its proper place after being confined indoors. Then justify the response with: The poet describes branches, leaves, and roots as if they were moving with intention.

Question 18

What would make an answer from The Trees incomplete?

Answer:

An answer is incomplete if it omits the explanation or final implication. Include both: They symbolise nature's effort to return to its proper place after being confined indoors. Also add: The indoor trees are unnatural and restricted.

Question 19

Prepare an Assertion-Reason style explanation based on The Trees.

Answer:

Assertion: They symbolise nature's effort to return to its proper place after being confined indoors.

Reason: The poet describes branches, leaves, and roots as if they were moving with intention. Check whether the reason actually explains the assertion before choosing an option.

The Trees - Continued

Question 20

How should you justify an answer from The Trees in two clear steps?

Answer:

Step 1: state the concept or event - They symbolise nature's effort to return to its proper place after being confined indoors. Step 2: support it with the explanation or result - The poet describes branches, leaves, and roots as if they were moving with intention.

Question 21

What answer structure is suitable for a 3-mark question from The Trees?

Answer:

Use three connected points: They symbolise nature's effort to return to its proper place after being confined indoors. The poet describes branches, leaves, and roots as if they were moving with intention. The indoor trees are unnatural and restricted. Keep the points specific and write them in a logical order.

Question 22

What answer structure is suitable for a 5-mark question from The Trees?

Answer:

Give an introduction, develop these key points - They symbolise nature's effort to return to its proper place after being confined indoors. The poet describes branches, leaves, and roots as if they were moving with intention. - and close with: The indoor trees are unnatural and restricted. Add a diagram, equation, example, or textual reference where relevant.

Question 23

How can the ideas in The Trees be applied to a new situation or case study?

Answer:

Identify the relevant principle first: They symbolise nature's effort to return to its proper place after being confined indoors. Then use the chapter's reasoning to explain the case: The poet describes branches, leaves, and roots as if they were moving with intention.

Question 24

Which detail from The Trees is most likely to earn an extra mark when explained correctly?

Answer:

A useful detail is: The indoor trees are unnatural and restricted. Explain it in context instead of using it as an isolated statement.

Question 25

Write a brief concluding statement for an answer on The Trees.

Answer:

A suitable conclusion is: The indoor trees are unnatural and restricted. This conclusion should follow naturally from the explanation rather than introduce a new point.

Question 26

Make a three-point revision note for The Trees.

Answer:

1. They symbolise nature's effort to return to its proper place after being confined indoors. 2. The poet describes branches, leaves, and roots as if they were moving with intention. 3. The indoor trees are unnatural and restricted. Revise these points with the chapter's examples, terms, and practice questions.

The Trees - Continued

Question 27

How would you self-check an answer from The Trees before submitting it?

Answer:

Check that you have answered the exact question, used the key idea - They symbolise nature's effort to return to its proper place after being confined indoors. - and supported it with a reason, example, calculation, or outcome such as: The poet describes branches, leaves, and roots as if they were moving with intention.

Question 28

Why does The Trees remain important for revision?

Answer:

It combines factual recall with explanation and application. The main takeaways are: They symbolise nature's effort to return to its proper place after being confined indoors. The poet describes branches, leaves, and roots as if they were moving with intention. The indoor trees are unnatural and restricted.

Question 29

Create a final 60-80 word answer plan for a long question from The Trees.

Answer:

Opening: They symbolise nature's effort to return to its proper place after being confined indoors.
Development: The poet describes branches, leaves, and roots as if they were moving with intention.
Conclusion: The indoor trees are unnatural and restricted. Use complete sentences and include all required evidence, steps, or references.

Question 30

What is one last-minute revision question you should ask yourself about The Trees?

Answer:

Ask: 'Can I explain why this is true or important?' A correct self-answer should include: They symbolise nature's effort to return to its proper place after being confined indoors. and The poet describes branches, leaves, and roots as if they were moving with intention.
