30 original revision questions with answers: short-answer, competency, assertion-reason and long-answer practice. Set is based on the current syllabus and official question-paper style; it is not a prediction or an official CBSE paper.

Question 1

What are the main functions of political parties in a democracy?

Answer:

They contest elections, offer policies, form and run governments, make laws, shape public opinion, and provide opposition. Parties connect citizens' concerns with government decisions.

Question 2

Explain three challenges faced by political parties and suggest reforms.

Answer:

Challenges include weak internal democracy, dynastic succession, and the influence of money or muscle power. Transparent funding, internal elections, and stronger public scrutiny can improve accountability.

Question 3

Why is opposition important even when it does not form the government?

Answer:

Opposition questions decisions, presents alternatives, and can expose mistakes. This scrutiny helps prevent unchecked power and gives voters a choice in future elections.

Question 4

What is the central idea or skill tested in Political Parties?

Answer:

The central focus is: They contest elections, offer policies, form and run governments, make laws, shape public opinion, and provide opposition. This is the starting point for a strong answer from this chapter.

Question 5

Write two relevant points for a short answer based on Political Parties.

Answer:

First point: They contest elections, offer policies, form and run governments, make laws, shape public opinion, and provide opposition. Second point: Challenges include weak internal democracy, dynastic succession, and the influence of money or muscle power. Link the two points clearly instead of listing them without explanation.

Question 6

How does the first key idea in Political Parties lead to an important result or conclusion?

Answer:

Begin with the key idea: They contest elections, offer policies, form and run governments, make laws, shape public opinion, and provide opposition. Then connect it to the result: Challenges include weak internal democracy, dynastic succession, and the influence of money or muscle power.
